

THINK GREEN

BEFORE YOU SHOP

Do I need?
Will I use?
Do I already own?
Can I borrow?

Be green! When you're out shopping, carefully choose what you buy and how much of it.

42% of U.S. greenhouse gas emissions are associated with the energy used to produce, process, transport, and dispose of our food and goods.¹

Do You Really Need It?

Need something you don't use regularly?

Borrow, rent, or share items that are used infrequently, like party decorations, tools, or furniture.

Maintain and repair things you already own, like clothing, furniture, and appliances, so they won't have to be thrown out and replaced as frequently.
